

# Abdikarim

Frontend Developer & Freelancer

CS Student, Umma University - Kajiado, Kenya

abdkarimochieng@gmail.com

## PLACEHOLDER CV

This file ships with the portfolio so the "Download CV" button works from day one. Replace it with your real CV, keeping the same filename:

**public/abdikarim-cv.pdf**

The path is configured in `src/content/site.ts` (`site.cv`), so you can rename it there if you prefer a different filename.

## Suggested sections for the real thing:

- Profile: one paragraph, lead with M-Pesa/Daraja experience
- Skills: Next.js, TypeScript, React, Supabase, Tailwind CSS, React Query, M-Pesa Daraja API, React Native, Figma
- Projects: Mwangaza Academy, HOROLOGY, Chama Platform (link each to its case study page on the site)
- Education: BSc Computer Science, Umma University
- Links: portfolio, GitHub, LinkedIn, Upwork
